Happy Easter
to you and your family.

Dear All,

Well, another term is nearly done and introducing some normality again has been lovely to see and participate in.

Thank you to the PSA for a very successful Cinema Night. Fun was had by all and funds for the school were raised.

It has been lovely to see children enjoying class again.

Unfortunately, we had to postpone year 4's trip this week because of staff sickness. We all need to take sensible precautions to protect ourselves and others as COVID infection numbers increase.

Most mornings staff are witnessing accidents and near misses caused by parents dropping children from cars near the gates, blocking the road. Please walk to school, if that is not possible park your car in a side street and walk your child to the gate.

The Easter holiday is a time to recharge and, of course eat chocolate! I do hope you all have a lovely rest and be sure to be back on 19 April 2022. We need to get our attendance back up to 96%+! Thank you.

YEAR 1 VISITS TRANSPORT MUSEUM

Year 1 had a great time at the Transport Museum in Covent Garden.

Their focus painting is Claude Monet's 'Train in the Snow' and they have been learning about old and new trains in history.

They saw many old and new vehicles at the museum and had a workshop where they learnt about the first black train driver and first black bus driver in London.

YEAR 3 TO MARITIME MUSEUM

On Friday 25th March Year 3 went to visit the National Maritime Museum in Greenwich. In history, they had learnt about the Battle of Trafalgar and thoroughly enjoyed seeing Turner's original painting up-close and learn more about Admiral Nelson. The children were delighted to see many model ships also as they have been building their own 3D dioramas of the ship scene in DT.

In front of the Cutty Sark in Greenwich.

BOOK DAY FUN

Book day gave children and staff a great chance to dress up as their favourite fairy tales character and share their favourite books.

During the day the bell rang, and *everyone* stopped what they were doing and read.

YEAR 2 MATHS DAY

On the 25th of March year 2 had a great time on Maths Day.

There were treasure hunts, puzzles, and maths challenges. Lots of fun was had by all.

The children enjoyed talking about their numbers and consolidating their number bonds knowledge.

RED CROSS UKRAINE APPEAL

The humanitarian situation is increasingly dire and desperate. **Millions of people have no safe place to call home.** More than 2.5 million have already left Ukraine, while countless more are still trapped underground, taking cover from the shelling, and desperate for a safe escape.

Hundreds of thousands of people still have no food, no water, no medical care, and no heat or electricity. Red Cross teams have been working around the clock to get critical care to those who need it most, both in Ukraine and its bordering countries. But with recent freezing temperatures, and ongoing violence, **an enormous number of people urgently need help right now.**

Please donate if you can.
