## Message from the Head

End of term is almost upon us.

Thank you to the PSA and everyone who contributed to and helped out at International Day. We had story tellers in school and special events in classrooms; a great time was had by all at the different stalls and amusements. It was wonderful to see the playground full of families having a great time. Thank you so much for supporting the school. The PSA uses funds raised to help with school trips, events and equipment.

The sports days were fantastic – we were blessed with perfect weather.

This is the time of year that we say goodbye to our year 6 students and wish them well for their secondary school journey; we will celebrate their time at Gladstone Park at Graduation on Tuesday 19<sup>th</sup>.

We are also saying goodbye to Mrs Ghobry, who is retiring, Miss Blake who is off to do further studies, Miss De Four, and Miss Murphy. They will be missed and we wish them all happiness in the next chapter of their lives.

The children met their new teachers this week and were shown where they will line up at the start of next term – it was lovely to greet the new staff who will be joining us.

Over the holiday there are a number of major works being done to maintain and improve the school - please do check you have all your child's belongings, including lunch boxes as they will not be kept.

Have a happy, relaxing and safe break.

## Year 2's Day at Brighton Beach

On Tuesday 21<sup>st</sup> June Year 2 went to Brighton. We had perfect weather conditions. We sat on the beach and had our lunch. All of us (including the adults) went for a paddle in the water. When we walked along the pier, we felt like we were in the sea. The British Airways i360 was impressive close up and we had so much fun in the Kings Road Playground area. It was a day to remember!

## Year 1 Visit Kew

Year 1 have been learning about plants in science so their trip to Kew Gardens to see different flora and fauna as well as habitats was really informative.

Marianne North's Gallery was specially exciting because the children have been learning about her exploration of Australian plants and her painting and drawings.

## ATTENDANCE

The ideal attendance at school is 100%, but anything above 96% is on the right track.

Classes where there has been 100% attendance in the previous week get a very special certificate presented to them at assembly, and teachers proudly put them on the classroom door.

In the month of **June** the class with the highest attendance was:

Attendance

6R – 97%

Well done!
